## Library Staff Activities

---

Your library staff have, as always, been busy providing the City of Hope community with the information resources and services needed to support your work. In addition to our usual duties, though, the staff attend and present at conferences, write for publication, and attend workshops and other events to learn new skills and keep up with our rapidly-changing profession. Here's what we've been up to in March and April:

- **Andrea Lynch** attended the Statewide California Electronic Library Consortium's first [Research Day](#) at Loyola Marymount University and the Friday session of the [13th Annual Rachmiel Levine Diabetes and Obesity Symposium](#) in Pasadena.
- **Susan Yates** attended the Society of California Archivists' Annual General Meeting in Berkeley, CA
